Goes Live!

The Kingfisher Community Website is now live and available on your desktop, laptop, or phone! The site has information about the Hall's history and booking information as well as the scoop on the Kingfisher Scholarship, the Old School & Library, links to area information & businesses, new and past newsletters, contacts, and descriptions with photos of Hall events. Note that info on current events (dates and times) and other timely bits are found either under the website's Newsletter tab or on our NEW Facebook page. Search Kingfisher Community on Facebook, and there we are!

Current Newsletters will be added every month.

We are working on expanding the 'Photos' tab. We're looking for someone to accept Hall/community related jpeg pics then forward them to our web host once every few months. Could that be YOU?! If so, contact Jan at shusecd@gmail.com (250- 838- 6882). You'll help make our website lively and fun!

We would like to say a big thank you again, for all the donations over the winter months. The library is almost back in order, before the big opening on June 27th.

The library cannot accept any more VHS video tapes; we have run out of room. Many thanks to the person who donated a whole big lot of DVDs.

We remind all of you - please sign in when you come into the library.

Recycling *Catalin Faget*

The Rivermouth Road recycling program is now active, but remember to label your recycling so garbage doesn't slip in and attract the local wildlife.

We are phasing out glass this year, so please drop off all glass at the waste management location up Beattie Road.

That's right, no glass. You may dispose any plastic and aluminum cans and bottles, but no tetra packs(juiceboxes) or other waste.

Please do not leave boxes, cardboard, or other containers along with your recycling- just the cans or bottles.

Look for new 'no parking signs' in front of the drop off and pick up area :)

Thank you, KCS recycling program.

SUMMER MENTORSHIP STUDENT EMPLOYMENT OPPORTUNITY
