### ATTENTION

**THE HALL AND THE SCHOOL ARE STILL CLOSED AND ALL EVENTS AND ACTIVITIES ARE STILL CANCELLED/POSTPONED UNTIL FURTHER NOTICE. THE PLAYGROUND IS CLOSED ALSO, DUE TO THE FACT THAT THE VIRUS CAN STICK TO THE METAL AND PLASTIC AND SURVIVE FOR A NUMBER OF DAYS.**

Now is the time that we'll be feeling the effects of cancelled events due to the Virus. We have already missed the hall cleanup but I have a feeling that that would have had a change of date due to ALL the snow. Lucky for us the Hall is in pretty good shape. Between our maintenance team, hall cleaner, and the regular hall users everything is pretty good and should do until we can have a clean-up party. After all, it's not like we're using it!!

I was so excited for the Mothers Day Breakfast this year as we had recruited some "young" people to host it. Luke Davidson and Jax Puchinger had accepted the challenge. The Torch had hopefully been passed on to the next generation and all the "old" guys could of had a break and had breakfast with their wives once again. I will

personally hold those two young men to their word for next year, or maybe sooner?

Here's a little Mothers Day Breakfast history I thought you might like to know. Sometime between 1985 and 1990 (memories are a bit foggy here) Roger Hatt thought it would be a good idea to have a community Mothers Day breakfast as something special for the mothers. He recruited some friends, I'll name some here but sorry if I missed anyone, remember, memories are a bit foggy; Tom Golz, Les Robinson, Rae and Wade McFarlean, George Jameson, Rolf Myers, Rob Dale, Warren Schalin, Keith Grey and Keith Richards. The men dressed up in white shirts, black pants and bowties, looking like waiters from a fancy French restaurant. They gave out flowers and waited on the women delivering a yummy breakfast of pancakes and strawberries with whipped cream and eggs and sausage. It doesn't sound like much now but back then it was a PRETTY BIG DEAL.

In 1958 BC had a centennial event and gave funding to communities. Kingfisher had a beard growing contest and received enough money to add the front entrance and the bathrooms to the Hall.

1967 brought another centennial and with it another beard growing contest. Not sure of any money or prizes on that one but I'm thinking: New Tradition, 2020 brings the Covid19 and with it restrictions on access to personal grooming so why don't you men have a hair growing contest? As my husband hasn't has a hair cut all winter I won't let him enter..hahahaha

Despite the fact that we directors are not meeting and activities are not happening we are still being active, especially our treasurer Michele. She has had to put together our budget for our grant application and now she has to put the year end together, and pay the bills.. there's ALWAYS bills. These are time consuming activities that I'm sure are not much fun but are necessary to keep the wheels turning. So a big Thank-you to Michele.

And..if you notice the "Welcome to Kingfisher" sign go missing from the road side, not to worry, it's just out for some TLC.

Keep practicing your social distancing as I don't think we're over it yet.

As always, call me if you need to.....**Jacky**

### KINGFISHER SCHOOL NEWS

The school has been closed to all gatherings and events until further notice. We will resume when it is safe to do so.

If any of the quilters who are interested in continuing with charity quilts at home, please let Lisa 250-837-7128 or Suzanne 250-838-6248 know to book a time for picking up supplies at school.

Practice Social Distancing. Lets Beat this Sooner than Later.

If anyone has any ideas for further classes, please let myself or Laurie know, so we can set up for further dates.

### Emergency Preparedness/Evacuation Planning May 2020 submitted by Herb Latchko

In late February, I received a response to my request from the Regional District for an update as to the revision of the 2005 Evacuation Plan. Below, you will find the main body of the email which I received from Mike Fox, General Manager of Community Services:

I believe the draft is almost done. We are expecting a draft report soon. As soon as we have it I will be updating the Area F director with next steps and then take the report to EAAC and then to the board.

As I receive information and pass it on to the directors I will let them know you are looking for it.

Denis Delise, our Area F Director, informed me that:

EAAC refers to Electoral Area Advisory Committee which is all of the rural directors of the RDNO. Staff has to clear projects through the EAAC for discussion and passing. Depending on what it is it then may have to go to "the Board as a Whole" which is EAAC and the municipalities and townships.

*The following activities are prohibited: Category 2 open fires; Category 3 open fires; Resource Management open fires; the use of fireworks; the use of sky lanterns; and the use of burn barrels or burn cages of any size or description (except when used for a campfire). Restrictions will remain in effect until the public is otherwise notified.*

If you have signed up to receive alerts and notices from the Regional District, you may have gotten notice that sandbags and sand are now available in Enderby at the city's yard (2308 Mc Gowan Ave-down Bass Ave just past Central Hardware; just before the high school; turn left). In closing, I would like to encourage you to make plans with you neighbours as to how you would deal with a fire near your home. "Locals" are the first line of defence and can make a huge difference before Wildfire personal show up. **Keep peoples' safety paramount !!!** Make plans before the fire: equipment; water sources; phone numbers; vulnerable people; etc.

Continued from page 3

Unfortunately, the response from Mike Fox did not make it into the March Kingfisher Newsletter. In April, I contacted the Regional District and got the following update (edited for one typo):

The table top exercise has been put on hold and this means the final report will be put off as well.

I will keep you up to date as we move forward,

So, this is where we stand in terms of revising the 2005 Evacuation Plan. Also, plans were in the works to erect a "Fire Hazard Rating" sign in Ashton Creek by the old sawmill site. Dale Fennel had agreed to keep the rating arrow "up to date", which was a key concern for the Fire Zone. This project has been put on hold. Wildfire personal are busy planning for what the Covid-19 fire season will look like in terms of firefighter safety.

Fire bans went into effect on April 16th. I have cut and pasted from the bcwildfire.ca website:
