FEBRUARY 2026

KingfisherCommunitySociety

Hello Kingfisher,

February arrives with red hearts and price tags, insisting that love must be proven with purchases and performance.

But, let's not forget that this February also opens the gate to the Year of the Horse in the Chinese Zodiac, a symbol that has nothing to do with chocolates and everything to do with vitality, freedom, and forward motion. The Horse is instinctual. It listens to its body, it knows when to run, when to rest, and when to throw its mane to the wind and jump the fence altogether. It does not ask for permission to be itself. This is a year that rewards authenticity over approval, and momentum over perfection. So, instead of romanticizing another person this month, why don't we turn the lantern inwards? Self love is not indulgence, it's stewardship. It's self trust, honoring your energy, and telling the truth about what no longer serves.

This month is an invitation to reclaim Love from the marketplace and return it to the body, the breath, the pulse of your own becoming. Love as nourishment, love as clarity, love as the courage to move in the direction that feels alive!

Use this time to take stock of what seeds you are planting for this next cycle. Check in on your neighbours and loved ones. It's still very much winter out here, but the sensation of stirring and awakening is happening...what will you grow this year?

*Take good care of yourselves & each other,
Rhea*

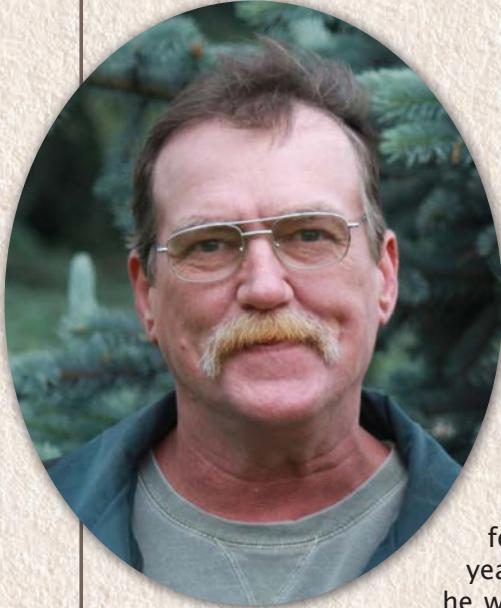

**2026 Annual Memberships are now due.
Please see page 8 for payment information.**

Your support will continue to allow the Board of Directors to continue their good works throughout the year!

We sadly announce the
passing of

Ward Henry Dale

Ward Henry Dale, age 65, passed away on December 28, 2025, in Enderby, BC, after a courageous battle with cancer.

Ward was born on October 6, 1960, in Vernon, BC, and spent his entire childhood growing up in Kingfisher, a place he always considered home. After graduating, he completed his mechanic's ticket and moved to Alberta, where he worked for ICG Propane. After returning to Enderby, Ward worked for the Forestry Service as a fire warden. He then worked for Roger Hatt building log homes, followed by many years at D-Most Tire in Salmon Arm. In his later years, he worked with Roger Sauvé doing carpentry both locally and in commercial spaces, before continuing carpentry work independently throughout Kingfisher and Enderby.

In 1988, Ward met his partner, Barb Bannister, and together they welcomed their daughter, Reanne, in 1994. After purchasing their home below the falls in 1990, Ward and Barb later moved onto the Dale family farm in 2014. They later spent time residing in Grindrod and Enderby.

Ward is lovingly remembered by his partner, Barb Bannister; his daughter, Reanne De Boer (Colton); and his cherished grandchildren, Harper, Walker, and Palmer. He is also survived by his mother, Marion; and his brother, Alec (Angela). Ward was predeceased by his father, Robert, and his brother, Alan.

Ward loved the outdoors, especially hunting and fishing, and took pride in hard work and time spent with family. He will be deeply missed by all who knew and loved him.

The Secwepemc language name one of the prominent places in the valley.

The Enderby Cliffs will now be called, Tplaqín (pronounced "t-bla-queen") means "cliffs" specifically referring to the iconic Enderby Cliffs, a significant cultural site for the Splatsin First Nation.

BC Parks is working with the Splatsin to officially rename Enderby Cliffs Park to Tplaqín/Enderby Cliffs Park, recognizing its deep spiritual and historical importance to the local First People, who have long called it by this name.

..and this is from the RDNO:

Regional District of North Okanagan
Electoral Area "F" Parks Development Cost
Charges.

The shared Fortune Parks, Recreation and Culture Service was originally established in 2000 between Electoral Area "F" and the City of Enderby. In 2018, the service was re-structured to include a reduced scope of shared services, and control of local parks in Electoral Area "F" was fully transferred to the RDNO, through a new Electoral Area "F" Parks and Culture Service.

Currently, new development in the City of Enderby and Electoral Area "F" is still subject to shared park DCCs through the Fortune Parks, Recreation and Culture Service DCCs. The original project list to be funded by Development Cost Charges (DCCs) is outdated and reflects the old Fortune Parks Service prior to re-structuring. Staff are proposing a new Electoral Area "F" Parks Development Cost. Staff is also proposing that the Fortune Parks shared DCC be amended by reducing shared DCC rates to \$0 (zero). The Province passed new legislation in 2023 which introduced Amenity Cost Charges (ACC) as "a new development finance tool that allows local governments to collect funds for amenities, such as community centres, recreation centres, daycares and libraries from new development that results in increased population.

The proposed ACC would be used to fund additional infrastructure related to growth, that is not already eligible for funding through the Development Cost Charges (DCC) program, including new sport courts and a new ball diamond.

The Baby Welcome Fund was established in 2022 through a generous donation from former Kingfisher residents. Funds are managed by the Community Society in a separate account from Society's operating budget.

The fund provides one-time financial support to parents of infants from Kingfisher. The family must reside in Kingfisher and may apply for the funds after the birth or any time during the child's first year.

In addition, the Kingfisher Quilters group have created baby quilts for each of new babies.

Parents can get an application form from a Director.
